## 7.2 – Best Practices

### 7.2.1 – Describe at least two institutional best practices

A) Various Programmes and Workshops were organized in association with the different departments in the college campus to develop the Skills in the students . An incubation centre was started with a theme of growing and selling air purifying plants like Aloe vera, Areca Palm, Money plant, Tulsi. The main purpose to start this incubation centre is to encourage and to enable our students to get firsthand experience in entrepreneurship and also to create awareness towards green and clean environment and also to acquaint the society about air purifying and medicinal plants which are beneficial to lower the environmental pollution and enhance health status. It would also provide comprehensive and integrated platform with multifaceted support including space, mentoring, training programs, networking and other benefits. Van Mahotsava was celebrated.

B) Social Responsibility: Govt. College Narnaul organized NSS Camp in the rural area to come in contact with the society. Different activities and rallies were organized to the villagers aware about the social evils like Dowry system, Child Marriage etc. The students organized which are prevalent in the society during these days. The villagers took part in these activities. The volunteers not only started the movement of cleanliness but organized many activities also for the upliftment or empowerment of girls in the society. A Project was also introduced by the institute for the upliftment of farming community by educating them about the new and organic farming practices which they weren't aware about. Also, it aimed at increasing their incomes by making them aware feasible farming practices and alert them about the vicious cycle of intermediaries or middlemen. The farming women were engaged in the business of making pickles and jams.
