**Subject: Request for Internship of M.Sc. Geology students**

Dear Sir,

Department of Geology in our college is offering M.Sc. Geology (2-year duration) Degree wherein subjects like Mineralogy, Petrology, Structural Geology, Stratigraphy, Paleontology, Economic Geology, Geohydrology, Exploration & Mining Geology, Climatology & Meteorology and Remote Sensing & GIS Technology are integral part of the curriculum.

As per the Choice Based Credit System (CBCS) of UGC, students have a choice to opt for papers from a pool designed in the syllabus. Therefore, based on the interest of students in M.Sc. Geology, they may opt for internship (minimum 45 days) in various geoscience-related organizations and institutes viz., O.N.G.C, N.H.P.C, N.I.O, Wadia Institute of Himalayan Geology, Birbal Sahni Institute of Palaeosciences etc. so that they may acquire practical skills in the related field.

As your institute is a premier institute in Geoscience, the following students of M.Sc. Geology (3<sup>rd</sup> Semester) are willing to attend their internship with Sedimentology & Quaternary Geology Group (Activity 4A) under the guidance of Dr Som Dutt, Scientist 'C' in your esteemed institute. We shall remain grateful if you allow the same in September and October-2021.
